#### Why Get Involved?

**You are helping a great cause - Ronald McDonald House Charities (RMHC).**

It is a fun way to build team spirit and build the community together.

- Many Hamilton families find themselves needing to travel to Auckland, where their children receive urgent specialist hospital care. RMHC provides a home-away-from-home for these families, keeping them close to their children, completely free of charge. Last year, RMHC supported over 300 families from the Waikato region. With your organisations help, we can continue to ensure no family has to worry about where they'll sleep or how they'll stay together when their child is seriously ill.
- We will supply everything you need to make it easy - QR code for donations, posters, newsletters, blurbs, and digital content.
